

# Turn Your Company Meetings into Exciting Events with Game Shows for Reply®

## System Benefits:

- Quick set-up without the hassle of wires.
- Game shows are formatted for easy question input with impressive visuals.
- Each and every employee actively participates, either as an individual or team member.
- Breaks up long meetings and adds an element of exciting competition.
- Questions may be tailored to incorporate company issues, specific topics, or they may be general-interest-oriented.
- Scoring is automated and can be tracked by individuals or teams.

## Solution: \*Winquiry 3.0 Add-On Modules

### ARS Challenge

- Modeled after a classic TV game show that uses a game board with questions related to various categories. Point value of questions increase as participants progress through category.

- Participants earn points for their team by answering the questions correctly.

- Team standings and point value are updated and displayed throughout the Challenge.
